

# SERVICES FOR EMPLOYERS

## Job & Internship Fairs

Career fairs offer cost-effective and time-efficient recruiting. Get on the spot access to students while you build name recognition on campus.

## On-Campus Interviews

The On-Campus Interview (OCI) Program enables you to interview qualified UCSC students in an efficient manner, while at the same time promoting your organization on campus.

## Information Sessions

Hosting an information session or reception is one of the easiest ways to attract students and establish a corporate presence on campus.

## Visibility Tabling

Visibility tables can be a great, low cost recruitment option. We provide a table in the Quarry Plaza, a high-traffic student walkway.

## Job Posting through SlugQuest

This UCSC job and internship posting site for full-time and part-time positions is popular with students seeking employment. Advertising a job or internship position on our on-line job board for UCSC students and alumni is a FREE service offered by the Career Center.

## Partners for Progress

Partners receive significant visibility across campus through special promotional materials, speaking opportunities, email blasts and networking with student leadership. Receptions and small recruiting events arranged upon request.

## Federal Work-Study Program

The Federal Work-Study Program can pay 50% of a student employee's salary for qualified non-profit organizations.

## Design Your Custom Recruiting Event

Receptions and small recruiting events arranged upon request. Target specific student populations with events aimed at recruiting the top students you are seeking. Fees vary depending on the event.
