

Information Session

Information Sessions are a great way to introduce your company's history, business, culture and benefits to the UCSC student community.

In addition to on-campus interviews, these "Meet the Recruiter" events help promote interest in your company and improve recruitment efforts as they enable you to meet interested and prospective candidates face to face.

Promoting your Information Session

- The Career Center will promote your scheduled Information Session on our website and print posters which will be displayed around campus.
- An email blast regarding your session will be sent out to students registered with the Career Center.
- Your information session will also be featured on our SlugQuest announcement page.
- Your event will be promoted on the Career Center "What's Happening" bulletin board.

Cost

Information Sessions are \$75.00.

Information Sessions can be scheduled for almost any weekday, excluding school holidays.
