Top Six Reasons to Mentor a Dreamer

**Make a difference where is really counts.**
Student eligibility is based upon need.

**Be part of the solution.**
Support a pilot program to bridge the gap for students who cannot access Federal grants or loans.

**Give a student a chance to gain professional skills.**
Students in the program have a variety of skills they would like to apply in a professional setting.

**Get assistance for an academic year.**
Participants will focus on tasks you need completed. They will make a substantial volunteer commitment in order to take on significant projects.

**Leverage UC Office of the President funding.**
A $600 contribution from your unit buys a $3000 scholarship for the student.

**Gain the advantage of Career Development support.**
Participating students will be supported in Career Development through a series of Career Center workshops.
