Learning Aligned Employment Program (LAEP)

Information Session 2.0
Hiring
Career Success

Heidi Rogers
LAEP/ Work-Study Coordinator
Welcome!

If this is the first time you are joining us, please watch our first Info Session!

We covered:
What is LAEP?
Who are eligible students?
Which on-campus jobs qualify?
Who is a research mentor?
How do staff/faculty get involved?

Today, we will cover the following:
- Recap: Job Posting Request
- Student actions and timeline
- Handshake
- HIRES
- Agreement forms
- Onboarding and the blue card
- Tracking student award use
- Supervision tips
LAEP Hiring Overview

**Job Posting Request**
Completed by employer to post in HS

**Accept Work-Study Offer**
Allows student to see jobs

**Handshake**
Recruit eligible students

**Request LAEP eForm**
Changes work-study award to LAEP

**HIRES**
Submit Create Hire Form

**Agreement Forms**
Mentor and Student must complete

**On-Boarding**
Obtain Blue Card

Once a blue card is obtained, a student can begin working September 23rd

Updates!
How do faculty and staff get involved?

Job Posting Request $ Accept Work-Study Offer $ Handshake $ Request LAEP eForm $ HIERES $ Agreement Forms $ On-Boarding

Job Posting Request Form for 2023-2024 AY is open!

Complete a separate request form for each unique research role. However one form can be completed for hiring up to 2 students for the same job.

Include in your request:
- Descriptive job title
- Detailed job description
- Research justification

Once approved, you will receive specific posting instructions to begin recruiting in Handshake!
- All LAEP jobs must be posted in Handshake (no exceptions)
Students must **accept** their Work-Study award before seeing Work-Study and LAEP Jobs in Handshake

- Accepting their original Work-Study award will allow the quickest pathway to apply to LAEP and Work-study jobs

If students have not been awarded work-study, they can fill out a “Request Work-Study or LAEP eForm”

- Students should request the award type based on the type of job they wish to obtain
- Students cannot have a work-study award and a LAEP award at the same time
- Processing of this award request can take several weeks
The LAEP Coordinator will share Handshake posting guidelines once the employer is approved.

Caution!
• Work-study students will be applying (many are eligible)
• Encourage student hires to submit a Request LAEP eForm
Handshake

Search for your job posting by toggling between active, expired or declined jobs.

Note: The Handshake JobID can be viewed in the left column for each job.
Employers can share their job posting by sharing the job url.

The JobID can be located here or within the job url.
Students should submit a Request LAEP eForm to see if they are eligible

- Students will know immediately if they are ineligible. You may offer a work-study option at the point.
- If student’s do not receive a ineligible notice immediately, consider them eligible. It may take up to two weeks for a student’s request to be awarded (at that point the student will know the amount).

Students should be encouraged to accept the award if being selected for hire

- This must be done before they are an option to hire in the HIRES platform.
- Once an award is accepted, allow up to 5 days before HIRES updates.
- HIRES will update with the student’s award amount.
https://hires.ucsc.edu/login

User Access
A user can have more than one role within the system and be associated with more than one UCPath department. For the roles of Hiring Managers (HM) and Unit Approvers (UA), this will drive what positions are available to them to view and submit via the hire request form.

Please contact your Timekeeper if you wish to Add a New User, Inactivate a User, or Modify a User. Your request will be reviewed and access provided as appropriate.

**Note: If you do not see changes made to HIRES, you may need to clear your cache.**
Work Study Balances

Work-Study Awards for 2023-2024 academic year will not be available until early September.

During the academic year, this page provides work study awards. Balances are reflected based on the last pay confirm within UCPath.

If a student applies via a Handshake posting which is designated for work study, this is authorization that they would like to use their work study for your position.

Please do not make selections for students based upon work study balance availability.

For continuing students, work study can be authorized via the Work Study Authorization Form, and a new hire request is NOT needed to complete this action.

If you have questions, please reach out to your timekeeper.

Search  Reset
Select Work-Study Yes, then select LAEP yes, if the student is not selectable from this list, the student award acceptance has not yet been processed. Check in with the student, wait a few days, re-submit, reach out to UCSCel with questions.
If no matches appear, the student either does not have an award or the student’s LAEP award acceptance has not yet been updated (3-5 days).

Once a student appears, the student's LAEP award will be listed.
Student awards will fund wages starting September 23, 2023 (first day of Fall)

Student awards will stop funding wages after June 13th (or the last day of Spring)
A Handshake JobID is required.

Students in LAEP jobs cannot work more than 15 hours/week nor FTE >37.5.

The job title should match Handshake and your job posting request form. It will be sent back to the supervisor if not.
Position number unknown

All LAEP jobs are STDT 4

Paste description used in your job posting request

Funding data belongs to the supervisor/department/unit

Positions

This page provides vacant positions from UCPath which do not have an active hire request associated with them within your department.

You will use this position number to submit a hire request. Please only use those positions which are assigned to you (as the reports to name) or if submitted on behalf of an individual, the individual who will supervise this student.

If you do not have any available vacant positions, you will submit information to create a position at the time of submitting your hire request.

If you have questions, please reach out to your timekeeper.

<td>N/A</td>
<td>Student is no longer active in this position</td>
</tr>
</tbody>
</table>

See [Navigating Hires](#) on our webpage
After submittal of the Hires form, an agreement form will be issued to the student and research mentor.

- Must be complete before the student receives on-boarding instructions

<table>
<thead>
<tr>
<th>Employer agreement:</th>
<th>Student Agreement:</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Agree to terms</td>
<td>• Verifies job is career related for the students</td>
</tr>
<tr>
<td></td>
<td>• Confirms student wishes to use LAEP funds</td>
</tr>
</tbody>
</table>
Student will be emailed to start onboarding

- Once onboarding is complete, the student and advisor will be notified that student’s blue card has been obtained.
- Once blue card obtained, student can begin working on or after the official start date of the job.
Tracking a student’s award

Work Study Balances

Work-Study Awards for 2023-2024 academic year will not be available until early September.

During the academic year, this page provides work study awards. Balances are reflected based on the last pay confirm within UCPath.

If a student applies via a Handshake posting which is designated for work study, this is authorization that they would like to use their work study for your position.

Please do not make selections for students based upon work study balance availability.

For continuing students, work study can be authorized via the Work Study Authorization Form, and a new hire request is NOT needed to complete this action.

If you have questions, please reach out to your timekeeper.
